<p>In contrast to the National Slovak Committee, under Sidor, is an organization created in Argentina by Ferdinand DURCANSKY, Slovakian Foreign Minister during the war. This organization is for the most part fictitious. The creation of the Sidor Committee was delayed by negotiations with DURCANSKI. The Committee considers DURCANSKI as a man of great energy and ability, and intended to admit him to its group regardless of the claim that he led a thoughtless and risky action, the result of which caused suffering to many. DURCANSKI would not agree to the abandonment of his fool-hardy tactics and his opposition to the Sidor group. No understanding has been reached, therefore, by the two men.</p> <p>.....</p> <p>THAT IS ALL THE PERTINENT INFO ON SUBJECT IN THE DOCUMENT TAKEN VERBATIM.</p> <p>The above information was disseminated as SO-32153 and SO-32153a.</p>
